GLOOM AMONG DEMOCRATS

THOSE AT STATE HEADQUARTERS NOT WILLING TO TALK.

Early They Knew that Their Efforts to Carry the Election Had Been Unsuccessful.

At midnight last night there was no longer any doubt of the election of the entire county ticket by large majorities.

About 12 o'clock County Chairman Akin, at the Columbia Club, made the statement that he believed Marion county would give McKinley a majority of from 7,000 to 8,000, and he was of opinion that the county ticket would be elected by a majority of about 4,500. It was estimated that Representative Overstreet would not run far behind the presidential ticket.

Chairman Akin said there was no doubt that the Democrats made the most desperate attempts to work their schemes yesterday, one of the worst of which was the attempted colonization of colored voters. Notwithstanding this, he said, the Democracy was badly whipped in the county.

The returns show substantial gains in many parts of the city and county. One of the city precincts showing the heaviest gain was in Captain English's precinct—the thirteenth of the Sixth ward. The returns from this precinct show a Republican majority of 123. Four years ago in the same precinct the Republican majority was 63. Two years ago it showed a majority of 27. One year ago there was a Republican majority of 5 in this precinct. Captain English is much pleased with the situation in his precinct.

Precinct 13, of the Third ward, gave McKinley a gain of thirty-five and twenty-five precincts showed a new gain for McKinley of 600. One very flattering report sent to the Press Bureau last night announced a gain of nineteen in the second precinct of Center township and in twenty

precincts a gain of 494. The report, which was official, stated that at this ratio McKinley would have a majority of 8,200.

At a late hour last night the Press Bureau announced that returns from fifty-seven precincts in Marion county, gave McKinley 6,820, and Bryan 4,572. This would make McKinley's plurality in these fifty-seven precincts, 2,248. The second precinct of the Fifteenth ward gave a net gain for Bryan of 28.

About 1:30 o'clock this morning the Press Bureau announced that sixty-eight precincts gave McKinley 7,530 and Bryan 5,145. At the same hour it was announced that more precincts had been heard from north of Washington street, than south of this thoroughfare. About 1:30 the Press Bureau again announced that at the present ratio of gains McKinley would carry Marion county by about 7,000. This was near the figure speculated on by the county chairman, Secretary Elliott and others about midnight.

A few minutes after 2 o'clock this morning it was stated that seventy-two precincts gave McKinley a plurality of 3,022 and on the strength of this the Press Bureau issued the following statement: "This ratio will give the county to McKinley by nearly 10,000, but more than half of these precincts are from the north side and from best estimates it would indicate McKinley's carrying the county by 7,000 to 8,000."

On County Ticket.

The first returns on the county ticket began to come in about 2 o'clock this morning. A little after 2 o'clock it was announced officially that thirty-eight precincts gave Koehne, candidate for treasurer, 4,727 votes, and Sindlinger, 3,373 votes.

STATE CHAIRMAN'S STATEMENT.

Mr. Hernly Reviews Situation and Offers Congratulations.

Republican State Chairman Hernly was jubilant to the last degree over the result of yesterday's election. At midnight everything had become so certain that he left headquarters in the majestic building and adjoining to the governors' rooms on the second floor of the Columbia Club to celebrate the victory with a number of the leaders of the party. When Mr. Hernly was found, he was the center of a group consisting of E. H. Nebeker, of Covington, ex-treasurer of the United States, John B. Cockrum, president of the Columbia Club, Judge Eugene H. Bundy, of New Castle, and Senator Roscoe O. Hawkins, members of the executive committee of the Republican State central committee, and Nathan Powell, of Madison, Ind. Mr. Powell also came in for a liberal share of congratulatory for the splendid race he made.

"I have not changed my opinion since the opening of this campaign," said Chairman Hernly cheerfully in response to a request for an expression on the result, "and the outcome of the election is certainly gratifying to the true lovers of liberty and patriotism. It is a conclusive evidence that the people of America love their country and its institutions. The election of McKinley to my mind is one of the greatest and surest evidences that the American people will maintain forever the grandest republic that has ever been organized among men."

RESULT OF ELECTION.
"The result of this election," continued Mr. Hernly, "means food and clothing to the laboring men and the homes, Bryanism has received its death blow, and Populism has been swept from the face of our country. I have never changed my mind as to the result of this election from the time this campaign commenced. I have always claimed that Indiana would give McKinley 20,000 to 40,000 plurality, and I believed that what I knew, and the evidences I received through our organization, justified me in making that claim. I do not believe there has ever been a better precinct organization in the State of Indiana than we had this campaign. More precinct meetings have been held than were ever held in the State before. I realized early in

McKinley's Net Plurality in Empire State Over 100,000—Illinois, New Jersey, West Virginia, Maryland and Kansas Also Republican.

Dispatches received by the Journal up to 4 o'clock this morning indicate that William McKinley has been re-elected by a greater electoral vote than he received four years ago. Leaving out of consideration all States from which returns are meager, he has secured 284 votes in the electoral college, and there is strong probability that later returns will increase the number to about 300. The following table of McKinley pluralities and electoral votes is believed to be a conservative statement:

Stone Gives Up.
NEW YORK, Nov. 6.—Ex-Governor Stone at midnight made the following announcement:

"I give up. The returns telegraphed these headquarters from New York, New Jersey and Connecticut show that these States have gone Republican. Returns from Maryland and West Virginia are incomplete. My information from the Middle and Western States is so indefinite that

I cannot form an opinion as to the result. As I do not know the facts, I will wait before I say finally what I think is the result."

Mr. Stone then closed the Democratic national headquarters in New York for the night.

Americanism Did It.

CLEVELAND, O., Nov. 6.—Senator Hanna received returns at the Union Club tonight. In response to a question as to the cause of McKinley's re-election he said: "The people re-elected him because they wanted him. Americanism did it." Senator Hanna said he was not surprised at the result.

Pettigrew Beaten; Nebraska.

CHICAGO, Nov. 6.—At midnight Chairman Payne sent the following telegram to Colonel Roosevelt: "The country is saved. We have beaten Pettigrew and captured Nebraska, Legislature and all."

Manley's Latest Statement.

NEW YORK, Nov. 7.—At 12:30 this morning National Committeemen Manley, Gibbs and Bliss held a conference, at the conclusion of which the following statement was given out:

"On the returns received at Republican headquarters up to this hour the Republican national committee claims to have elected McKinley and Roosevelt by an electoral vote of 284, with the possibility of 21 votes in addition, making a total of 305. These twenty-one votes consist of the thirteen votes in Kentucky and eight in Nebraska. The States we surely claim for McKinley and Roosevelt are California, Connecticut, Delaware, Illinois, Indiana, Maryland, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oregon, Pennsylvania, Rhode Island, South Dakota, Utah, Vermont, Washington, West Virginia, Wisconsin and Wyoming."

The committeemen then closed their desks and left for their homes.

Crocker to Bryan.

NEW YORK, Nov. 6.—The following telegram was sent to-night to W. J. Bryan at Lincoln:

"As you no doubt already know, the State has gone heavily against us, but whereas this county in 1896 gave McKinley 23,000 majority it gives you to-day 33,000, a gain of 50,000. We are defeated but not discouraged."

RICHARD CROCKER.

From Governor-Elect Odell.

NEW YORK, Nov. 6.—Governor E. B. Odell sent the following message to President McKinley at Canton: "New York has endorsed your administration by a majority of at least 150,000. Please accept hearty congratulations upon the result."

Mr. Odell also sent the following to Senator Hanna at Cleveland: "We have carried the State for President McKinley by 150,000 and my majority will be, from present indications, 120,000. We will have an increase in number of congressmen and both branches of the Legislature will be largely Republican. I congratulate you upon this result."

Nebraska Conceded to McKinley.

CHICAGO, Nov. 6.—Henry C. Payne has received the following message from Assistant Secretary of War McKeljohn at his home in Fullerton, Neb.: "The Democrats concede Nebraska to McKinley by 7,000."

ANOTHER TABLE.

Associated Press Puts McKinley's Electoral Vote at 284 Sure.

NEW YORK, Nov. 6.—It became evident at a very early hour this evening that the election of McKinley and Roosevelt was assured. At half past 8 o'clock returns from nearly two-thirds of the election districts of Greater New York had been received, indicating beyond question
